Investment Objective & Strategy

DUNN WMA Institutional UCITS Fund is a 100% systematic medium to long-term trend following program, encompassing a portfolio of financial, energy, metal and agricultural futures markets. The investment objective is to extract profits from up & down-trends, resulting in a return stream that exhibits very low correlation with traditional asset classes. The DUNN WMA Institutional UCITS Fund targets half the volatility of DUNN's flagship WMA Program and is expected to average circa 11.5% annually over time.

DUNN WMA Institutional Program Performance

The above performance pertains to the performance since inception of the DUNN World Monetary and Agriculture (WMA) Institutional Program, which is not a UCITS regulated Fund.
