

## Ash Park Global Consumer Franchise UCITS Fund

a Sub-Fund of MontLake UCITS Platform ICAV managed by Waystone Fund Management (IE) Limited  
EUR Class E Shares (IE00BZ163469)

### Objectives and Investment Policy

#### Investment Objective

The investment objective of the Sub-Fund is to increase the value of your shares.

#### Investment Policy

The Sub-Fund invests in companies in the food, beverage, tobacco, household and personal care sectors that are listed on global recognised markets. The Sub-Fund may also hold cash or cash equivalents to aid efficient management of the Sub-Fund or to enable the redemption of shares.

#### Subscription and Redemption

You can sell your shares any day that banks are open in Ireland and the United Kingdom. You must submit your application to the Sub-Fund's Administrator before 1.00 p.m. one business day before the day you want to sell.

#### Income

Your shares do not pay income, but instead the Sub-Fund reinvests such income to grow your capital.

#### Benchmark

The Sub-Fund is actively managed, meaning the Investment Manager actively selects and invests the securities in which the Sub-Fund invests with the aim of meeting the investment objective of the Sub-Fund, and is not managed with reference to any benchmark.

#### Investment Horizon

Recommendation: the Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

### Risk and Reward Profile

#### Why is the Sub-Fund in the specific category?

The risk category for this Sub-Fund is set at 5. It is calculated in line with EU regulations and is based on a combination of the historic performance of the sub-fund since launch and an index or benchmark representing the performance of the assets in which the sub-fund typically invests for the period after launch.

#### Risk Disclaimer

A **category 1** Sub-Fund is not a risk-free investment - the risk of losing your money is small, but the chance of making gains is also limited. With a **category 7** Sub-Fund, the risk of losing your money is high but there is also a chance of making higher gains.

The seven-category scale is complex. For example, a category 2 Sub-Fund is not twice as risky as a category 1 Sub-Fund. The risk category shown is not guaranteed and may change over time.

#### When categorising the Sub-Fund, it may happen that not all material risks were fully captured in the methodology:

**Concentration Risk:** The investment strategy adopted by the Sub-Fund significantly limits the number of potential investments. The Sub-Fund generally holds 20 to 25 stocks and so it is more concentrated than many other funds. This means that the performance of a single stock within the portfolio has a greater effect on the price of the shares of the Fund.

For a more detailed explanation of risks, please refer to the "Special Considerations and Risk Factors" section of the prospectus.

## Charges

The charges you pay are used to pay the costs of running the Sub-Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after the investment	
Entry charge	None
Exit charge	None
This is the maximum that may be deducted from the investor's money before it is invested or before the proceeds of the investment are paid out.	
Charges debited to the Fund over a year	
Ongoing charge	0.60%
Charges debited to the Fund under certain specific conditions	
Performance fee	None

Any entry/exit charge shown is a maximum figure. Where charges are shown in some cases you might pay less; you can find this out from your financial advisor or distributor.

The ongoing charge figure is based on an estimate of the charges. This figure may vary from year to year. It does not include portfolio transaction costs or performance fees.

You can find out more details about the charges and how they are calculated by looking at the Sub-Fund's prospectus and supplement which are available at [www.montlakeucits.com](http://www.montlakeucits.com).

## Past Performance

There is insufficient data to produce a useful indication of past performance for the Share Class.

The past performance takes account of all charges and costs.

Past performance is not a reliable indicator of future results.

The Sub-Fund came into existence in 2014.

This share class has yet to launch.

The value of the Share Class will be calculated in EUR.

## Practical Information

- The Sub-Fund's assets are held with its depositary, Northern Trust Fiduciary Services (Ireland) Limited.
- Ash Park Global Consumer Franchise UCITS Fund is a Sub-Fund of MontLake UCITS Platform ICAV. The assets of this Sub-Fund are segregated from other Sub-Funds on MontLake UCITS Platform ICAV.
